Hiring manager

Elitser Infotech private Limited A-702,
Eureka Towers, Mindspace, Malad(w), Mumbai-400064

Dear Shradha hattakar,

I am writing to express my interest in the Software Developer position at Elitser, as advertised on LinkedIn. With a master's degree from Birla Global University, I am eager to bring my technical expertise and passion for software development to your esteemed team.

Throughout my academic tenure, I have honed a robust proficiency in a spectrum of programming languages, including Java, Python, and C++, alongside a comprehensive understanding of web development technologies such as HTML, CSS, and JavaScript. Complemented by practical experience in both individual and collaborative coding projects, I have cultivated a keen ability to conceptualize, architect, and implement innovative solutions to complex problems.

What most resonates with me about Elitser is its commitment to its innovation and client satisfaction.

Moreover, I am deeply motivated by the opportunity for professional growth and development that Elitser offers. Eager to immerse myself in new challenges and technologies, I am committed to expanding my skill set and leveraging my expertise to drive the success of your organization.

Thank you for considering my application. Enclosed is my resume, which further outlines my qualifications and experiences. I am enthusiastic about the possibility of discussing how my background aligns with the needs of your team. Please feel free to contact me at your earliest convenience to schedule a meeting or discuss any further details.
